Mr. Philip Lang
National Coordinator
Protect Our Children for Life
17360 W. Twelve Mile Road - #101
Southfield, MI 48076

Dear Mr. Lang:

As a Law Enforcement Executive for over 33 years, I am concerned about the welfare of our community. We must come up with some solutions to reduce the accidental shooting of our children that is taking place across this country and continues to increase at an alarming rate.

After seeing the benefits of using the RAC, I endorse/support the RAC, a unique storing device that prevents the unauthorized use and theft of firearms. It is my hope that this device will decrease the crisis of firearm deaths in our country.

Sincerely,

Dr. Joseph E. Thomas, Jr.
