Dear Ms. Schlichting:

I greet you in this New Year of 2007. It is my prayer that you and your family have a blessed New Year.

As a Pastor, I am concerned about the welfare of our community, and the adverse action and reaction that is taking place as a result of the unnecessary firearm deaths. In particular, the accidental shootings of children has risen at an alarming rate.

For this reason, I endorse the RAC; a unique storage device that prevents the unauthorized use of firearms. It is my hope that you can see the significant value of the RAC to help decrease the crisis of firearm deaths in our community.

I solicit your assistance in this effort, and thanking you in advance for your service and support.

Sincerely,

Rev. Dr. Joseph R. Jordan
