Dear William Mc Murray,

It is my sincere pleasure to endorse the RAC Holding Company's firearm storage and security product. RAC's campaign "Protect Our Kids For Life" is a proactive initiative addressing the epidemic of gunplay affecting children nationally.

Based on the national gun accident statistics, eight children lives are fatally ended and a gun wounds 4 to 5 times as many kids and teens a year. Safety is a priority on Michigan's Democratic Party agenda and one of Young Democrats of Michigan's top concerns. This plague continually multiplies in urban areas such as Detroit where our peers and children at an alarming rate.

Detroit 14th Congressional, 13th Future Leaders, and Midtown Young Democrats stand with RAC and the Protect Our Kids For Life campaign to help prevent gunplay in our community.

Sincerely,

Kamal I. Cheeks
Treasurer, Michigan Young Democrats
